PROFILE

I'm a passionate Web and App Developer and UI/UX Enthusiast with internship experience in building responsive websites, SEO basics, and designing user-friendly interfaces. I've worked with Infinity Uniquers, Systemtron, and Codetech IT Solutions, gaining solid skills in frontend development and design.

WORK EXPERIENCE

InfinityQniquers 2024
Software Web Developer
- Translated Figma designs into responsive and interactive web pages using HTML, CSS, and JavaScript
- Ensured pixel-perfect UI implementation and cross-browser compatibility
- Used Figma for reviewing layouts, extracting assets, and aligning design specifications

SystemTron 2024
Web Developer
- Developed user-friendly interfaces using HTML, CSS, and JavaScript
- Ensured pixel-perfect implementation of Figma designs for cross-device compatibility
- Participated in design reviews and provided feedback for improving usability and performance

CodeTechIT Solutions 2025
Figma Web Development
- Designed responsive web and mobile interfaces using Figma
- Created wireframes, prototypes, and UI components for real-time collaboration
- Applied design principles to improve user experience and visual consistency
